

DRAYTON PART OF NEW CONSTITUENCY

Provincial politics are in the air locally with a great deal of interest in redistribution and an organization meeting of the Progressive Conservative Constituency Association of Stony Plain in Drayton Valley Saturday evening.

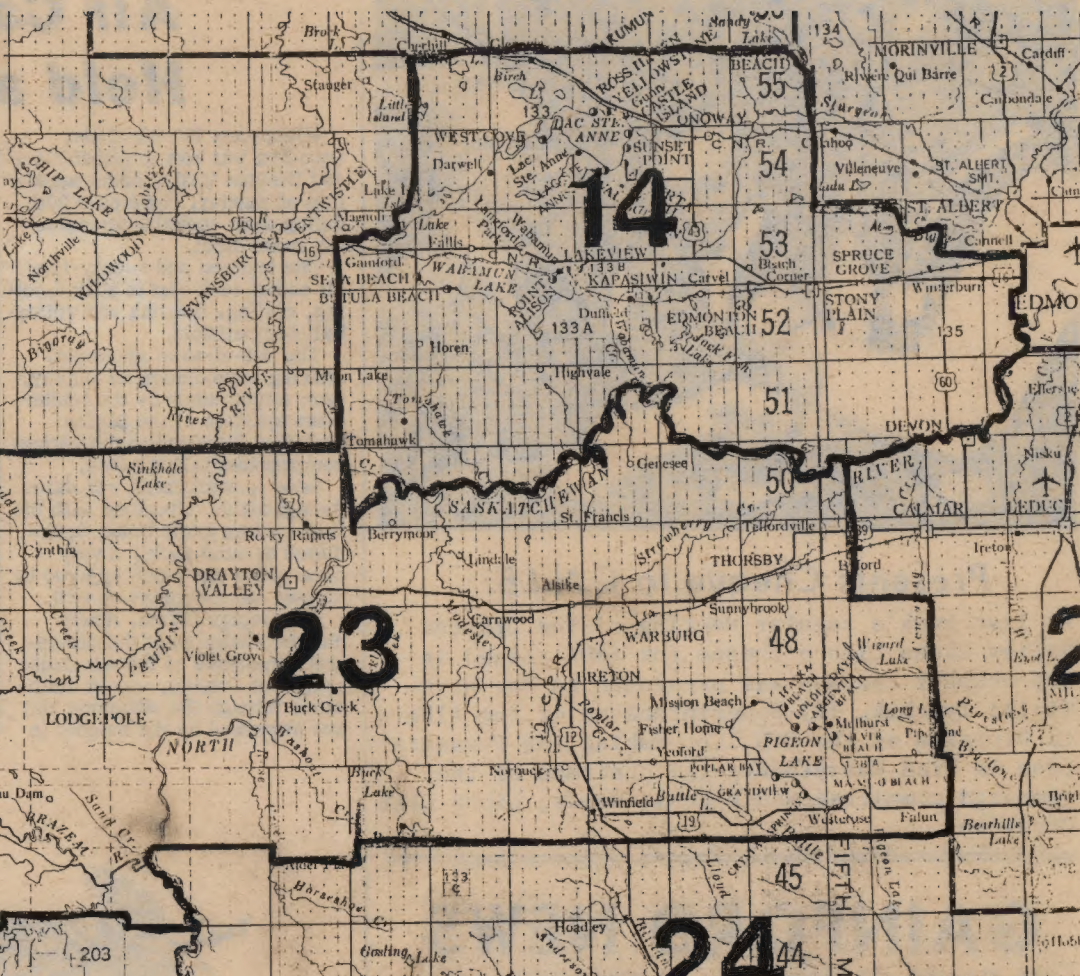

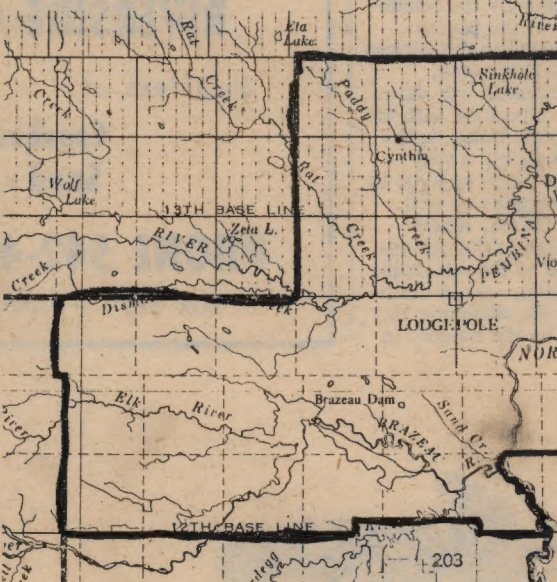

As a result of proposals made by the Electoral Boundaries Commission a new Constituency of Pigeon Lake has been created from parts of Leduc, Wetaskiwin, Rocky Mountain and Stony Plain. Constituencies. The new Electoral Division No. 23 takes in such communities as Drayton Valley, Breton, Warburg, Thorsby, Ma-Me-O Beach and Winfield.

As the boundaries are now drawn the major part of the Tomahawk area remains in Stony Plain Constituency. However, the western end of the former Stony Plain Constituency and north of the correction line ten miles north of Drayton Valley now become part of the new Whitecourt Constituency created from the eastern tip of Edson riding and parts of Lac Ste Anne, Grouard, Stony Plain and Grande Prairie.

Leduc Constituency disappears

under redistribution to become a part of Wetaskiwin.

Recommendations for the re-drawing of provincial constituency boundaries will go before public hearings in January before being presented to the next session of the Legislative Assembly.

Conservatives Organize at Saturday Meeting Here

At the meeting of the Stony Plain Progressive Conservative Association in Dave's Cafe Saturday evening officers were elected and the Constitution approved. Although the constituency has been divided since the meeting was planned, it was decided to continue with organization and make changes as they become necessary later.

Bill Tuttle was named presi-

dent of the association and Orest Heyday of Drayton Valley and Bill Purdy of Wabamun named as 1st vice presidents representing the west and east sides of the constituency. Mrs. Irene Braybrook of Drayton Valley is the Secretary-Treasurer.

It is planned to have two directors named from each major town and one from each of the seven divisions of the County of

Parkland. Named Saturday evening were Roy Burrows for Drayton Valley and Mrs. McNary for Stony Plain. Frank Hoge was named director for the rural area that corresponds to Division 7 of Parkland.

Mr. Tuttle introduced the guest speaker Dr. Hugh Homer of Barrhead, M.L.A. for Lac Ste Anne Constituency, and former M.P. for the old federal riding of Jasper-Edson.

Dr. Homer pointed out that a political opportunity never before available, has been created for residents of the new Constituency of Pigeon Lake. Without an incumbent to unseat, the field is wide open, he said, to name a representative dedicated to advancement of this West-Central region.

A mood for change is afoot in Alberta, he said, with the Social Credit party hanging on and attempting to improve its image.

The Conservative platform, he said, would tackle the great problem of de-centralization and would direct its efforts to getting growth moving in major towns other than urban areas. Many communities the size of Drayton Valley, he said, have not moved significantly in the past 30 or 40 years.

REGIONAL SCHOOL REJECTED AGAIN

Voters in Parkland County and Edson School Division in last Thursday's plebiscite again rejected the Edson-Stony Regional Board's proposal to build a \$1,350,000 high school at Evansburg by a margin of 161 votes.

Almost twice as many votes were cast Thursday than in the July vote. Thursday saw 2,155 voters at the polls compared to 1342 in July when the plebiscite was defeated by 47 votes.

The result of the July 24th plebiscite was subsequently challenged in court and ruled invalid necessitating Thursday's poll.

In Thursday's voting 1,149 voted against the proposal, 988 for, and 20 ballots were rejected. The 20 spoiled ballots represents a considerable improvement over the earlier vote when 41 ballots were rejected.

Forty-nine Drayton Valley electors were unable to vote when the D.R.O. ran out of ballots before the polls closed at 7:30 p.m.

The Returning Officer, Chris Nielsen of Peers, left 300 ballots here basing the quantity on the July turnout of 107 voters. No voters' lists were available to allow a definite estimate of voting numbers.

When informed of the ballot shortage shortly before time for closing the polls, Mr. Nielsen asked the voters to remain and sent word to Entwistle to have ballots brought here. It appears, Mr. Nielsen said, that the person delegated to carry the ballots felt he didn't have time to reach Drayton Valley before the polls closed and not realizing the voters were waiting after closing, failed to make the trip.

Mr. Nielsen added that the situation was further complicated by silent phones or no phones in the polling places, making it necessary to pass all the messages through a second person.

Official count of ballots was made on Tuesday of this week. Unofficial poll by poll result is as follows:

Chamber Election Postponed

Annual meeting of the Drayton Valley and District Chamber of Commerce was held in the Cardium Room last Thursday morning.

The scheduled election of officers for the forthcoming year was postponed and will be held at the January meeting.

Publishing Schedule Changed for Holidays

As is customary, The Western Review publishing schedule will be changed during the festive holiday period.

A regular edition will be printed and mailed next Wednesday, December 17th.

However, in order to have the following week's paper reach readers before Christmas, it will be necessary to close forms for advertising and news at noon on December 18th. The paper for

December 24th will be printed on the weekend and mailed early to out-of-town subscribers. Carrier delivery in town will be on Tuesday, December 23rd, a day earlier than usual.

There will be no paper printed on December 31st. Anyone with material that should reach readers between Christmas and early January, should make sure we have it in time for inclusion in the December 24th paper.

The new Pigeon Lake Constituency received much attention at the P.C. Organization in Drayton Valley Saturday night. Shown here examining the map of the new area are, left to right, Mr. Orest Heyday, Mrs. Irene Braybrook, Dr. Hugh Horner, M.L.A., Mr. Bill Purdy of Wabamun and Mr. Bill Tuttle.

Presents Cheque to C.N.I.B.

At last week's regular meeting of the Drayton Valley Lions Club a cheque for \$804 raised in the October canvass was presented to Mr. W. A. (Bill) Tymchuk, (R) Superintendent of the Alberta Division of the C.N.I.B. Making the presentation is Fred Kaarsemaker (L) chairman of the campaign committee and Ritchie Woods, Lions Club President.

In the same vein, he stated that the Provincial Department of Agriculture should become a dynamic leader, and with a land utilization program guide production to revitalize the rural areas of the province.

Several questions, many on the topic of agriculture and marketing, were answered by Dr. Horner who suggested that inefficient handling of grain at seaports caused loss of markets to Canada. Co-operation of the grain growing provinces to automate the movements of crops would go a long way toward solving the problems of prairie surpluses, he said.

PARKCOURT NEWS

A large crowd of friends gathered at the Park Court Hall on Wednesday night for a farewell party to honor Miss Ann Kulaba and her mother. They are leaving to take up residence in Edmonton. Before moving to Evansburg where they operated the Evansburg Hotel Cafe, they lived in Park Court for many years. The evening was spent in dancing donated by the local musicians. A gift, along with the good wishes of the whole community, was presented to them after which a very lovely lunch was served.

Miss Margaret Young attended a house-warming party for her nephew in Edmonton.

Miss Julia Semenyina spent the weekend at her home here. A large group of young people enjoyed a hay ride on Friday night.

Mr. Harvey Marchand is now working in Whitecourt.

The regular meeting of the Gay Gatherers was held on Tuesday night at the home of Mrs. Fred Fausak. Gifts for the pre-school children were wrapped and other plans for the concert were made. Mrs. Hazel Fausak won the hostess prize.

Air Cadet Tournament Held at Whitecourt

Whitecourt 721 Air Cadet Squadron was host to Jasper Place and Drayton Valley cadet squadrons on Sunday, November 30th during their annual inter-squadron sports meet.

One hundred and twenty-five air cadets took part in rifle shooting, curling, bowling and volleyball competitions.

The out-of-town squadrons, arriving around noon on Sunday, were served lunch by the Whitecourt squadron at the Legion Hall then dispersed to the various competitions taking place.

Good sportsmanship was shown throughout the afternoon with the final curling game being determined by skips rocks, a very close game and much enjoyed by players and spectators as well.

Mr. George Esdale, newly elected chairman of the provincial committee of the Air Cadet League of Canada, was in attendance through the afternoon and was impressed by the manner in

which the sports were being carried out, as was his wife who accompanied him.

The day was terminated by a "Hot Chili" supper at the Legion Hall, followed by the presentation of trophies for the different events.

George Esdale proudly pre-

sented the rifle shooting trophy to the Jasper Place Squadron, the Bowling Trophy to the Drayton Valley Squadron, No. 1 team, The Curling Trophy to the Jasper Place Squadron, No. 2 team, and the Volleyball trophy to the Drayton Valley Squadron, with the Whitecourt team second.

EDITORIAL COMMENT

Political Picture Changes

Redistribution of Alberta Legislature seats which created the new riding of Pigeon Lake that takes in Drayton Valley and communities as far east as Thorsby appears to be generally agreeable to people in this area. The new constituency appears more realistic than the previous western association with Stony Plain that reached the boundaries of Edmonton.

It is interesting to note that the proposed new constituency takes in virtually the same area (except that it goes farther east) that was proposed as a new municipal unit at the time of annexation of L.I.D. 77 by the Municipal District of Stony Plain. Supporters in this area at the time suggested a line north and south at Breton and a little further north than the new constituency boundary but their recommendation was not accepted by the Department of Municipal Affairs.

An unusual feature of redistribution is the fact that people only ten miles north of Drayton Valley are now in the Whitecourt riding.

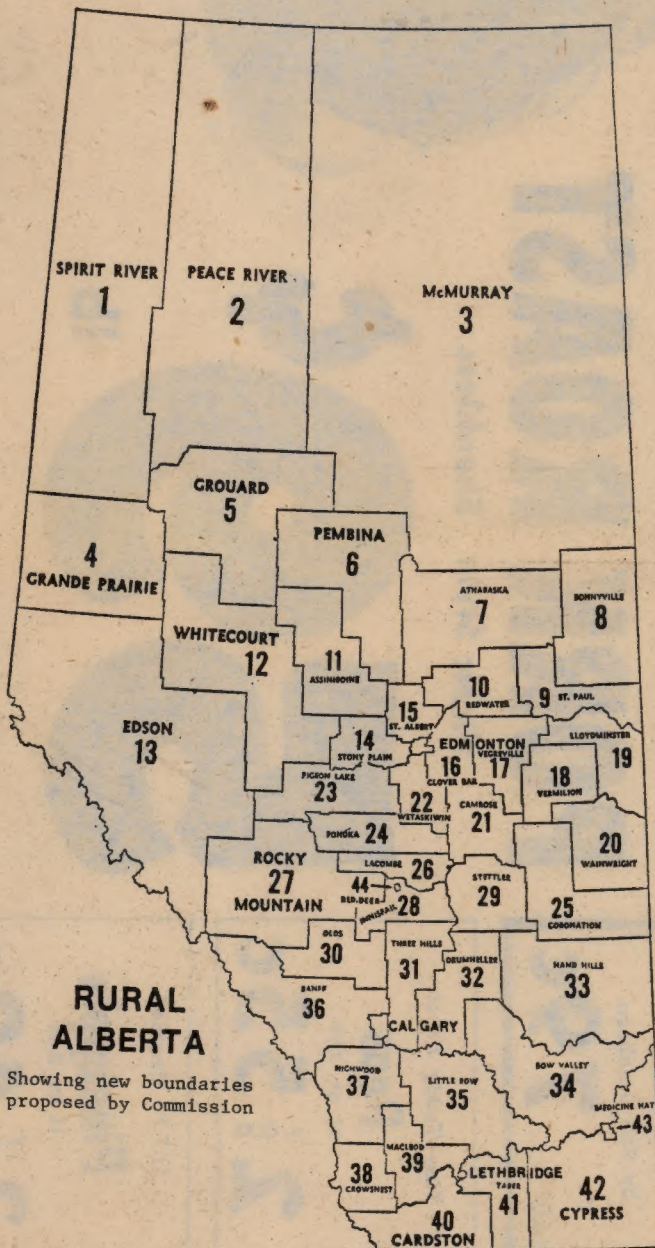

The redistribution proposal will go before the Legislative Assembly at its next sitting but before that time the Electoral Boundaries Commission will conduct public hearings during the month of January to hear representations on areas and boundaries of the proposed electoral divisions.

It is unlikely that major changes could be made without upsetting the whole picture but minor changes would likely be considered. Hopefully, community leaders and concerned residents throughout the new constituency will study the proposal carefully, and if flaws are apparent, make them known to the commission at the appropriate time.

It appears to this newspaper that the western boundary of Wetaskiwin Constituency might have gone a little further to include the Thorsby area and people whose interests lie more to the east than west. By the same token, the northern boundary of the new constituency should be expanded to encompass the Moon Lake-Tomahawk districts whose interests point this way rather than toward Whitecourt or Stony Plain.

We are also inclined to dispute the name of the new unit. The largest number of constituencies are named after the major community within their boundaries and Drayton Valley is the largest within the new Electoral Division No. 23. If it's not to be Drayton Valley Constituency, we suggest that a name with a more distinctively western flavor than Pigeon Lake should be possible without too much difficulty.

Creation of the new constituency under redistribution means a great deal to residents of this West-Central area. It should receive thoughtful consideration, and certainly recommendations to the commission on features that might be improved.

| Same week 1968 | 6847 | 4357 | 2490 | 1800 | 1898 |

SUMMARY

Receipts were seasonally normal although volume was down from last week, indicating that the heavy fall run is almost over. Total receipts of cattle and calves were approximately 9,700 head with 120 cattle and 900 calves being through-billed. Sales consisted of 75% replacement cattle and calves, 40% of the total cattle were sold for slaughter. Trading was strong and active on all slaughter and

replacement classes throughout the week. Butcher steers 25¢ higher, heifers fully steady, cows 50 - 1.00 higher, and bulls 50 higher. Slaughter calves 2.00 to 3.00 higher, replacement classes fully steady.

Slaughter Cattle & Calves -- Slaughter steers and heifers were in short supply throughout the most of the week with strictly choice kinds relatively scarce. Approximately 40% of the slaughter cattle were considered eligible for the Red or Blue brand. Choice handyweight steers 1000 to 1050 lbs. were bringing top prices with steers up to 1200 lbs. selling at only a slight discount, however heavier weights were sharply discounted. Steers sold strong throughout with prices a full 25¢ higher, one package sold at 27.50 in closing trade. Butcher heifers sold on a firm basis with a few sales over 26.00. All grades of butcher cows sold 50 - 1.00 higher although good cows were not too plentiful. Most of the light weight medium cows continued to go out as feeders. Bulls 50 higher. All slaughter calf classes sold 2.00 to 3.00 higher.

Replacement Cattle & Calves -- The supply of replacement cattle and calves was consistently short of the demand, consequently all classes continued to move readily at strong prices. Light weight stock calves sold 50 to 1.00 higher.

Shipments -- Last week's out-of-province cattle and calf shipments were: East 1100 for feeding and 222 for slaughter; Saskatchewan 263 feeders; to B.C. 364 for slaughter and 13 feeders. Export to U.S. 27 for slaughter.

Mr. and Mrs. William Louth

Couple Honored On 80th Birthdays

Mr. and Mrs. William Louth of Rocky Rapids were honored Saturday evening, December 6th at a surprise birthday party in honor of their 80th birthdays. Over seventy relatives and close friends gathered at the Scout Hall before the honored couple arrived and sang "Happy Birthday" as the surprised couple entered the hall with their daughter and son-in-law Mr. and Mrs. L. Williams.

Mr. John Suffron was master of ceremonies. Mr. Les Wall gave the toast to the couple and Mrs. Madge Wall gave a recitation "A Touch of the Past."

Following the lovely supper more friends gathered to wish the happy couple best wishes of the day. An evening of reminiscing, singing, playing cards and dominoes was enjoyed.

The great-grandchildren took an active part in the occasion. Todd Sande of Edmonton, said the grace, Tracy Mitchell of Sherwood Park was in charge of the guest book and Kenny Sande and David Mitchell helped to present the gifts. An electric blanket and pole lamp was given to them from the family, numerous gifts, flowers and a purse of money was presented from friends.

To bring the evening to a close a tasty lunch was served, and together the couple cut their birthday cake.

Relatives and friends from Edmonton, Sherwood Park, Stony Plain, Czar, Fort McMurray, Edson and surrounding districts

were present for the party. Gail and Dalton Heyland and family of Prince George, B.C. were unable to attend.

Mr. and Mrs. Louth have lived at Rocky Rapids for the past eight years prior to which they resided at Jasper where Mr. Louth was an engineer with the C.N.R.

To Dedicate Church Sunday

The new church building of Calvary Baptist will be dedicated on Sunday, December 14th at 3:30 p.m.

The church started in Drayton Valley in the Elementary School in May of 1961. The parsonage was completed in the fall of 1961 and services were conducted in the basement chapel until November of this year. Construction of the new facilities began in April of this year.

Everyone is invited to attend the dedication service Sunday.

Men and women behind bars are able to share in the blessings of Christmas through The Salvation Army, whose blue uniforms penetrate prison walls. Those who are parents are enabled to send personal gifts to their children. And experienced Salvation Army officers help them prepare for the day when they will return to their families.

RAMONA NEWS

Sincere sympathy is extended to Earl Siebs and family and Bernice Sullivan and family on the passing of their mother in an Edmonton hospital on Saturday. The funeral will be held in the Catholic church in Tomahawk Friday morning at 11:00 a.m., December 12th.

The Ramona Community League will hold its Christmas con-

cert on Sunday, December 21st at 7:30 p.m. The mothers of the district are asked to teach their children a skit, song or recitation them bring them to the practice on Sunday, December 14th. Joan Beauchamp is in charge and anyone wanting further information may phone her at 542-2229.

There will be a supper and dance in the Ramona Hall on New Years Eve. Tickets will be \$2.50 each and must be bought in advance.

Kathy Stewart spent the night with Michelle Urkevich on Friday. The occasion was Michelle's birthday. Happy birthday Michelle.

Thanks to some willing workers in our club, the inside of the hall has a coat of paint for Christmas.

Ken Stewart is the proud owner of a Ski-doo. After a short ride each, he said it will go in the garage until we get more snow, so the kids are all praying for snow. Anyone know any snow dances?

Happy anniversary this week to Mr. and Mrs. Steve Yurchak on December 10th.

Happy birthday this week to Ken Mulyk December 10th, Tammy Hartman December 11th, and Marilyn Rasmussen December 14th. We hope you all have a very happy day.

EVANSBURG NEWS

I'm sorry the news report for last week was missing, but I was a patient in an Edmonton hospital undergoing surgery. I am doing fine now and will be getting around on crutches for awhile. My son, Zane, has at last recovered enough to attend school and is quite happy to be doing so.

On Friday, November 21st was the Parent-Teachers' Day at the two schools. A most satisfactory turnout of parents was seen to be meeting the teachers and discussing school problems.

The Chamber of Commerce held a social evening in the Legion Hall on November 28th.

The Cub-Scout Group Committee held a meeting recently to discuss group activities. It was decided to wait until after the new year before making any definite plans for the boys. There is still room for boys who wish to join in the Cub Pack, they may contact Mrs. M. Bruner or Mr. Krasowski.

The first Christmas party of the season took place in the Legion Hall basement. This was the Happy Hour Bible Club Christmas party. About 60 children and parents were in attendance. The children sang carols, did a reproduction of the Nativity story and generally had fun. Attendance awards were presented and lunch was served by the mothers and Mrs. DeJong. There will be no more Bible Club classes until after the new year, but the club members and their leader will be carolling around the village during the holiday season.

Sympathy of the district goes to the Hale family on the passing of Mr. Hale recently.

Auxiliary Regular Meet

The regular monthly meeting of the Drayton Valley Hospital Auxiliary will be held on Thursday, December 11th at 8:00 p.m. in the Nurses' Residence.

This being the Christmas meeting, members are reminded of the gift exchange.

Public Speaking Planned by Club

The Drayton Valley 4-H Beef Club held its second meeting of the year on November 25th at the Guyon home.

Marilyn Rasmussen gave a talk on choosing a good beef calf. We outlined a plan for future meetings, and Mr. McKenzie gave everyone two topics for public speaking. One topic was in developing personality and manners and the other was any suitable topic you wanted. We discussed having a bowling party and inviting the Moon Lake club. It was decided that it would be held on December 14th. Moon Lake would be invited and we would bowl from 2 - 4 p.m. and then everyone would go for hamburgers and cokes.

After the meeting cocoa and sandwiches were served by Mrs. Guyon.

Miss Gladys Chechotko is working as a secretary for a chartered accountants firm in Drayton Valley.

Weekend guests at the M. Chechotko home were Betty and Bob Assaf and family of Edmonton.

Another accident victim in this community is Ivan Gylander who lost part of his left thumb while unloading a load of grain. Accidents seem to be the "in-thing" at this time in the area.

Henry and Sharon Onyschuk spent the weekend with Sharon's parents, Mr. and Mrs. A. Reich. Sunday dinner guests were Mrs. McKone and Terry, Judy Reich,

SUB-MITS FROM THE ELEMENTARY SCHOOL

Here are the answers to last week's "expanded" sayings. By the way, we do not give these type of questions to our students. 1. A rolling stone gathers no moss. 2. Too many cooks spoil the broth. 3. People who live in glass houses shouldn't throw stones. 4. The early bird gets the worm. 5. All that glitters is not gold. 6. Waste not, want not. 7. A fool and his money are soon parted. 9. Look before you leap. 10. To err is human, to forgive, divine.

The month of December brings many activities to the school. In the lower grades the Story of Christmas is studied in many aspects. For example,

the Grade Three enterprise deals with Christmas in many lands. Grades One and Two study our various customs. Our vast culture of literature provides true stories, legends, myths, and poems for the child's appreciation. This enterprise also lends itself to many art projects. If you are interested, be our guest to walk down the halls in a week or so before Christmas. Enjoy the many displays of art work.

This week let's meet Mrs. Carol Lane. She comes from Aberdeen, Saskatchewan. Mrs. Lane took her teacher training in Saskatoon and taught at Clavet, Saskatchewan before coming here. This is her second year on staff. She teaches grade 2. Mrs. Lane is active on the Oil Wives executive, sings in the choir, also sings in a singing group, and partakes in other church activities. The Lanes have no children.

Rebels Lose To Camrose On Saturday

Saturday night the Rebels suffered their second loss of the season in losing to the Maroons 3-2 in a game played at Camrose. The victory gave the Maroons a three point edge over the second place Rebels in league standing.

The game was a fast skating affair with the Rebels having a 1-0 lead after 20 minutes. Camrose scored once in the second but Dan Davie got one back for the Rebels to give them a 2-1 lead at the end of the second. With the 1,400 partizan fans cheering them on, the Maroons scored two unanswered goals in the third period to give them a 3-2 victory.

The score could have been higher except for brilliant goal tending by the Rebel's Lorne Foster.

Trapping Still Important In Far Northern Areas

OTTAWA -- God's Narrows, Coppermine, Lac du Brochet. These are some of the outposts of Canada's last frontier.

And, like Canada's historical frontiers, these outposts exist primarily to serve a wealthy world's appetite for elegant furs.

Although the rugged life of trappers in a lonely wilderness continues to be important to the Canadian fur industry, the more pedestrian life of business-like farmers has grabbed the spotlight. Fur farmers are, in fact, pocketing more than 60 per cent of the money the fur industry spends on pelts annually.

More than 99 per cent of these farm-raised pelts are mink. The supply of other furs, such as fox, beaver, marten, fisher, wild mink and otter continues to flow out of the wilderness, thanks to the persistence, skill and rugged individualism of a handful of trappers.

Almost every area in Canada contributes to the fur harvest.

The magnificent Canada Majestic Mink -- world-renowned for the dense, silky pelts in a wealth of natural colors that would have amazed the early fur traders -- is produced on farms from coast to coast across the central and southern portions of Canada.

Trappers still take wild pelts from this same area -- fox, mink, beaver, otter and muskrat.

But it is further north, in a territory comprising three-quarters of Canada, where the reputation-building pelts are taken. These luxurious furs created and sustain Canada's tradition of excellence, a tradition that is centuries old.

"That's the home of the trapper. He's still an important figure in the Canadian fur industry," says Andrew Stewart, Chief of the Canada Department of Agriculture's fur section.

"He operates from an isolated cabin deep in the northern woods

and begins work when the lakes and rivers freeze and deep snow falls. His crop, harvested in successive rounds of the trapline, is the soft pelts turned dense and silky by the crisp northern winter."

Trappers sell their pelts to traders and from there they move through fur auctions to buyers who create the pieces sold by fur salons around the world.

From the modest beginnings of the fur trade in the 16th century until the beginning of the 1900's, most of the Canadian fur crop was sold in Europe.

But, in 1920, the first Canadian fur auction company opened for business in Montreal. Fur auctions spread to five other Canadian cities shortly afterwards and today most of the annual Canadian production moves through seven fur auction firms in Montreal, North Bay, Winnipeg, Regina, Edmonton and Vancouver.

Furs are sold through competitive bidding to buyers from most of the world's fur-consuming countries. This past season, these buyers were determined to replenish their stocks of fine Canadian furs and their competitive bidding helped to make the auctions a solid success.

Rotary Club President Bob Mayhew (R) presents Lions Club representatives Dan Gregor and Ritchie Woods (L) with a cheque for \$375. The cheque represents part of the Rotary profits from the Evergreen Rodeo and was returned to the Lions to assist them in debts incurred in spearheading the rodeo undertaking.

District Governor Visits Rotary Club

Rotary District Governor R. H. (Russ) McKinney of Stettler visited at Drayton Valley Club last week and he and Mrs. McKinney were guests at a ladies' night in the Scout Hall Tuesday evening.

For Mr. McKinney the visit to Drayton Valley gave him the opportunity to renew old acquaintances and see the changes in this part of the country that he knew very well as an R.C.M.P. constable in the 1930's. Bob Mayhew flew Mr. McKinney over the area that he patrolled in the past by horse and foot.

On Wednesday evening he attended the regular supper meeting of the club in the Cardium Room and took part in the induction of three new members.

New members taken into the club recently and inducted Wednesday are John Hansen, Don Vanstone and Rick Bright.

Also present as supper guests were Lions Club President Ritchie Woods and Rodeo Chairman Dan Gregor. During the evening Rotary President Bob Mayhew presented Mr. Gregor with a cheque for \$375 to go toward the Lions rodeo fund. The Rotary contribution represented half their share of the profits of the rodeo sponsored jointly by local organizations.

Following the regular business of the evening a Rotary assembly

was held and the District Governor received the reports of the chairman of various club committees.

BUCK CREEK NEWS

The recent bingo sponsored by the mothers to raise funds for the Guides and Brownies was very well attended. They would like to thank all those attending and helped to make it such a success.

Mrs. Norma Malin and some friends attended the Hank Snow Show in the Jubilee Auditorium in Edmonton last Thursday evening.

Mr. and Mrs. Frank Hauser of Carmangay are visiting here this week.

Mrs. Phyllis Lind is in an Edmonton hospital this week undergoing tests.

The community club is planning to have a New Years dance.

Mr. and Mrs. Nels Steble of Red Deer spent a few days visiting in the district last week.

Mr. Orville Kiland is a patient in the Drayton Valley Hospital for treatments to his back.

Warriors Outlast Concordia 63-56

The FMHS Warrior Basketball Club ran into a real strong and determined Concordia College five but were able to outlast them and came home with their second consecutive North Central League victory in this, their first year in the conference.

This Warrior victory was an upset and raised the teams rating in the league vastly. Further indication of the local Warriors strength will come this Friday when they meet the always strong Paul Kane High of St. Albert.

At the half time intermission Concordia lead the contest 30-29 with the fine play of Terry Jevne and Doug Ibbotson keeping the Warriors in the contest. The Warriors hit on 11 of 53 shots from the field and Concordia 10 of 21 shots. In the second half the Warriors hit 15 of 31 shots and Concordia 9 of 29. Thus over the night Concordia out shot the Warriors percentage-wise 38% to 30% but the Warriors got away 84 shots to Concordia's 50 shots. Concordia also outscored the Warriors 20 to 6 on the foul line as personal fouls continually kept the Warriors in trouble. By the last quarter the Drayton club had lost Doug Ibbotson, Ron Cameron and Stan Oulton via the five fouls route but were able to outscore their opposition 16-9 in the last quarter after the two clubs were tied 47-47 at three quarter time. Keith Sodergren broke the game wide open in the last quarter with a hot hand and three quick consecutive baskets and Larry Mattoon added a little sugar to the icing with fine shooting from the right side.

On the scoreboard Larry Mattoon again led the local team for the second consecutive game with 17 individual points. Keith Sodergren added 16 and Terry Jevne 11. For Concordia Mel Otke had 17, Len Geris 13 and Alan Sogge 11, all three outstanding and smooth ball players.

The Concordia club will be in Drayton Valley January 17th and local fans will be able to see this mighty smooth and fine ball club in action.

The Warrior's sister club came up real strong in the girls contest to down Concordia College 34 to 17 to give themselves a one and one league record. Janine Labranche led the Warriorettes with 15 points and Terry Cable added another 8. The team is looking for a big win against Paul Kane this Friday.

Both teams were accompanied by an extra bus load of spectators and numerous supporters who drove out to the game and many former Drayton Valley residents who now reside in Edmonton were on hand and all this support was greatly appreciated and the fans were treated to the exciting contest they were anticipating.

The local teams play Leduc in Leduc this week and then return home for that big game with Paul Kane this Friday at the local high school auditorium.

KEEPPHILLS NEWS

Eddie and Laura Bacon left for a few days in Winnipeg on December 3rd where they will visit Eddie's brother and family, and meet Laura's twin sister Linda and her husband and family who will be coming from Ontario by car, after having spent 3 years in Germany. Wayne and Laurie Bacon will be staying with Mrs. Fisher in the Highvale area and 5 year old Linda will stay with her Aunt Brenda at Jasper.

Steve Ewashko was home last weekend after spending some time in an Edmonton hospital. Nora Dombrosky spent a week in Edmonton recently.

Every fourth Sunday of each month, students from the Pentecost Bible School in Edmonton, take charge of the church services at the Highvale Church.

Brenda and Dave Moonen were weekend guests at Laura and Eddie Bacon's last week.

New Rotary Members Welcomed

Rotary District Governor R. H. (Russ) McKinney of Stettler (R) is shown above congratulating new members of the club inducted at last Wednesday's meeting. New members, from left to right are, Rick Bright, John Hansen and Don Vanstone.

Juniors Draw Large Crowd

A large crowd of spectators turned out last week to see the two newly formed Junior Warrior and Warriorette basketball squads. Even though turned back 29-19 and 45-36 by the Breton teams the new girls and boys clubs showed that they are going to be colorful and competitive teams

and add a great deal of excitement to the local basketball scene.

These two teams will open the 1969-70 Pembina League tonight as they again do battle with each other at the local high school gymnasium. This time the game means two points in the league

standings. The Breton five are playing excellent style of basketball under their new head coach who comes to Breton with 19 years of experience in basketball in the city of Edmonton. Tonight's game should prove a real game for the fans as it promises to go down to the final few seconds for its decision. Bring your horns and bells and get to be part of the great excitement of high school basketball.

Tomahawk Club Regular Meeting

The Tomahawk and District Club held its last regular meeting November 10th. It is hoped to obtain Edgar T. Jone's latest film "Rhodesia to Mozambique", keep a look out for the definite show date which will be sometime in March.

The club would like to thank the Tomahawk Fire Department for the time they donated in helping organize for the skating season. The club is sponsoring a newly organized hockey team, midget, in Tomahawk. They are entered in the Hi-way 16 League.

David Lukaniuk and Pat McKay are the new rink caretakers

for the coming season. It is hoped the community will cooperate and back them in any way possible.

Social evenings are planned for Boxing Day, Friday, December 26th and New Years Eve. The music for Boxing Day will be furnished by the Pembina Valley Ramblers and for New Years we have a group booked from Edmonton, "The Hutzuls". Tickets will soon be on sale.

D. V. Highlights

BY MRS. EDITH DEBY

It has been my privilege to vote at many elections of one kind or another. Some were memorable and others run-of-the-mill but last Thursday's Drayton Valley poll holds the unique distinction of being the only one I ever heard of where the number of voters exceeded the number of ballots available.

Best wishes for many more happy birthdays go to Mr. and Mrs. William Louth who celebrated their 80th birthdays on December 5th and 6th. Members of their family organized a surprise party to which old friends were invited.

Mrs. Cecil (Madge) Wall, of Edmonton, was in Drayton Valley for the Louth party on Saturday.

The Al Horne family is having more than its share of illness at present and I join in all the Horne's other friends in saying, "Get well soon".

Mrs. Bill Kuzio is convalescing at home following a week's stay in the local hospital. Best wishes for an early and complete recovery Mrs. Kuzio.

Our sympathy is with Mrs. Bohdan Urchysyn whose brother, Mr. Morris Amposko of Leduc, suffered a heart attack on Saturday morning and passed away shortly after.

Mr. Henry Dunington is feeling much better and hopes to be discharged from hospital shortly.

Funeral services were held in Killam last week for Mrs. Manning, mother of Ray and Dennis Manning of Drayton Valley.

Mr. Kurt Hanson's friends will be sorry to hear that he is in hospital.

Mr. and Mrs. Arthur Durham and Charlotte will leave soon to spend Christmas with relatives in Los Angeles.

Mr. and Mrs. Ken Straarup and baby Corey, of Camrose, were in town for a few days while Mr. Straarup substituted for Mr. Ray Manning. The Straarups were guests of Mr. and Mrs. Larry Varty.

Sorry to hear that Mr. George Comeau is having a session in hospital.

Best wishes for future happiness go to Mr. and Mrs. William Mason, nee Miss Jeri Hutchinson.

Mr. and Mrs. John Mikulin moved into their new farm home last week.

Mrs. Felix Gurnik has been a patient in the New Misericordia Hospital for the past month. Your friends here hope you are better soon, Mrs. Gurnik.

On December 27th, the Dunington Ladies Group will hold a pot luck supper in their hall beginning at 6:30 p.m. You are in-

ited to bring along your favorite dish and join in. Whist will follow the supper. Winners at last Saturday's game were: High, Mrs. Edward Hines Jr. and Mr. Clarence Duffington. Low, Mrs. McEachern and Mr. Harold Smithinsky.

Corporal G.L. Reynolds, son of Mrs. Joan Reynolds, has just returned from a 5 year tour of duty with the Royal Canadian Engineers in Germany. Corporal Reynolds was accompanied by Mrs. Reynolds, the former Magdalene Barnhardt, and his infant son Richard. The Reynolds will leave for their new posting early in January.

Those attending the 4-H Awards Night last month at the Ukrainian Community Hall at Calmar were, Mr. and Mrs. Gordon Gillespie, Mrs. Florence Johnson, Mrs. Blanche Barnette and Mrs. Earl Johnson who presented a trophy to Efficiency winner, Miss Lorette Gerwen of the Carnwood Cloth Cutters Club. The trophy was donated by the Carnwood Country Club.

Congratulations to Mr. and Mrs. Orrie Badke nee (Ruth Ray) on birth of a daughter recently.

Mr. and Mrs. Barrett of Stettler were visiting at the home of Mr. and Mrs. Norman Haffner. They also took in the Pot Luck Supper and Bingo where they met a number of folks they hadn't seen for some time at the Lindale Hall Friday.

The community extends its deepest sympathy to Mr. Kenneth Badgerow and family and Mrs. Sarah Badgerow Sr. of Calmar

on the loss of brother and son, George Badgerow, who was killed on Saturday on the highway near Devon.

We extend our sympathy to Mr. Mert Wallen and family who lost his brother-in-law, Mr. Frank Herbert of Didsbury in a drowning accident while on holidays in New Mexico.

Mr. Arnold Foster and Reg and Jim Saunders made a trip to Buck Lake on Sunday.

Miss Donna Gillespie was home over the weekend.

Parents, please take notice that, the health unit for inoculations will be at the Lindale School on December 17th from 1:00 to 3:00 p.m.

Mr. and Mrs. Mark Hooks attended the boxing match at Rocky Mountain House on Saturday and reported a very enjoyable evening.

The Farmers Union Local 949 will hold its meeting on Thurs-

day, December 18th, due to the Farmer's Union Convention this week at 8:00 p.m. Ladies please bring lunch.

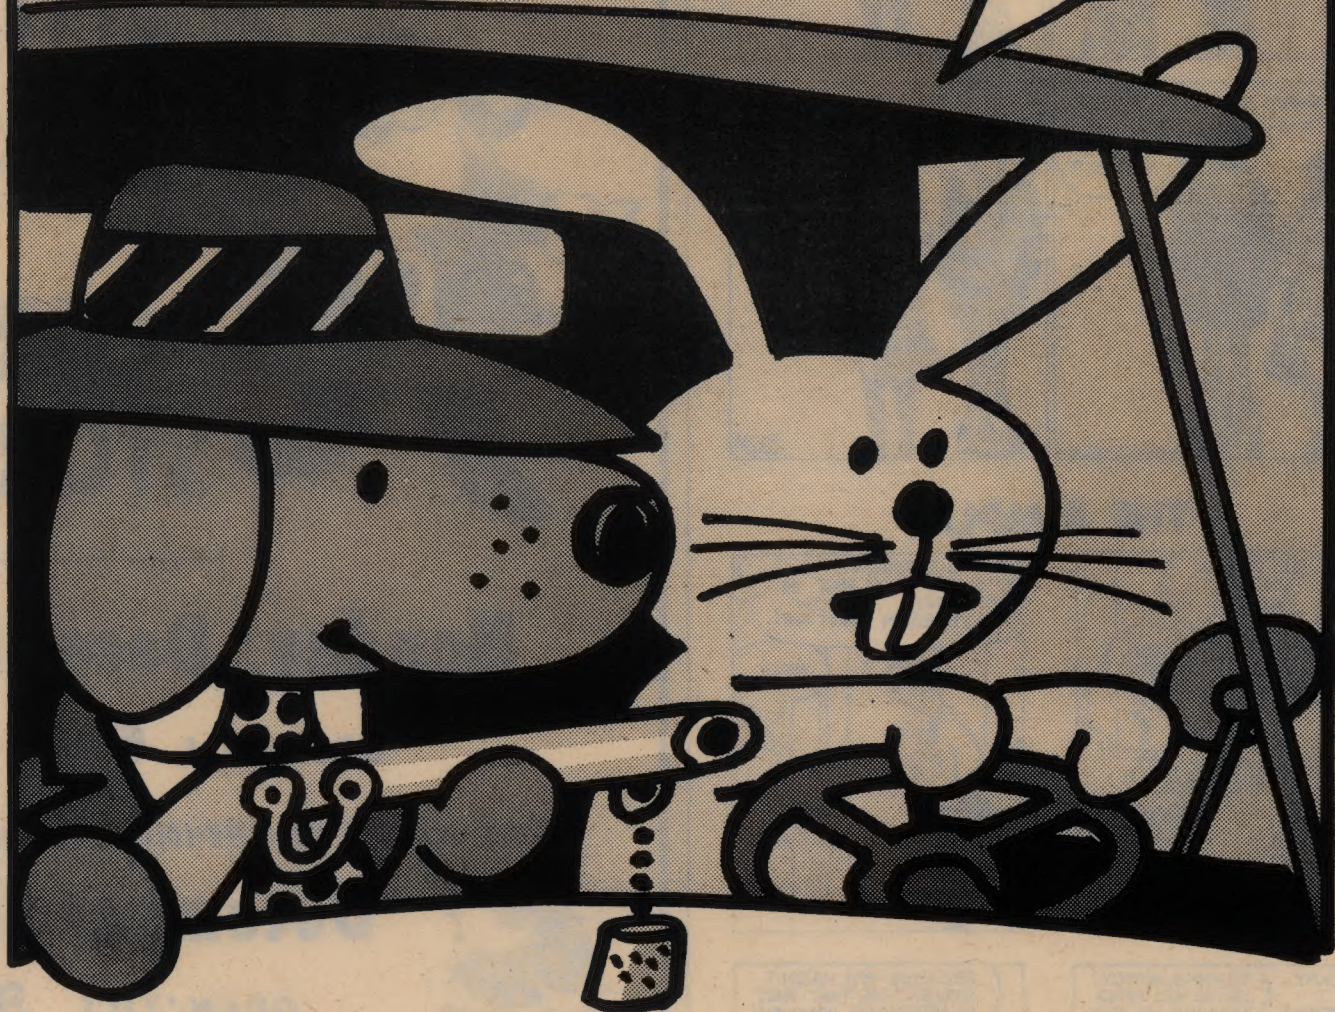

Mr. and Mrs. Dell Burr and family of Edmonton were visiting at the home of Mr. and Mrs. Victor Saunders.

The pot luck supper and bingo held at the Lindale Hall on Friday was well attended. Some of the lucky bingo winners were: Ted Barnett, Irene Gillespie, Ed Lauer, Ann VanEmber, Mrs. Joe Mayr, Mrs. Peter Mayr, Nill Jehn, Dorothy Cropley, Myranette Cropley, and Jim Saunders won the blackout which was a lovely electric lamp. We would like to thank everyone who helped and donated to make it a success.

A number of relatives, friends and neighbors gathered on November 29th for a house warming party in honor of Mrs. H. Docken and Halvar.

Step on it,
Bunny!

Best wishes for a speedy recovery are sent to Mrs. J. Schmidt who is in the University Hospital in Edmonton.

Welcome back to Mr. and Mrs. Dennis Jensen who have moved their trailer home to Gibson location.

Mr. and Mrs. Groner McTavish and family have moved to Montreal. They will spend their first holiday season in several years with their families in New Brunswick and Newfoundland.

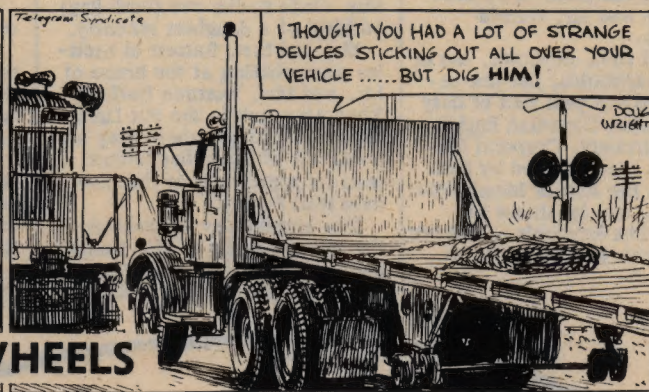

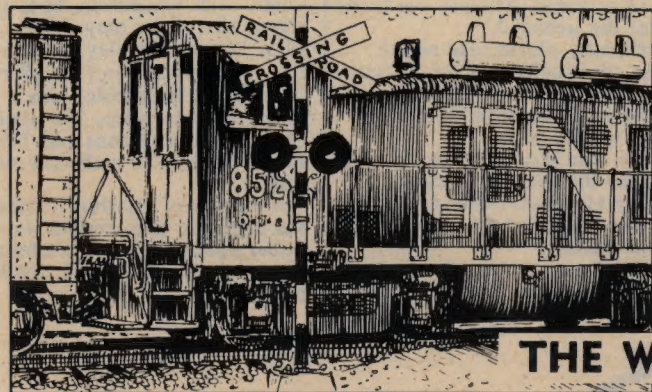

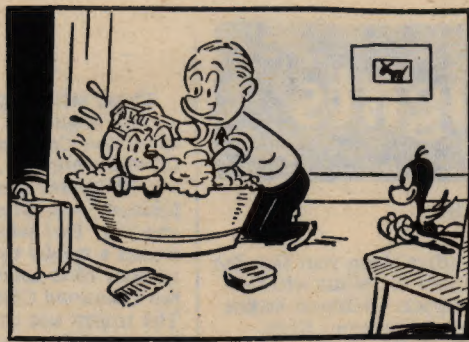

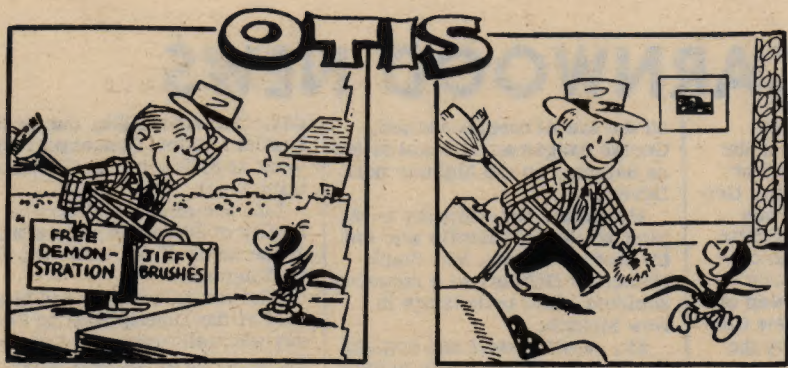

Rocketing across the East Side of the Lethbridge Pilsner label is the hottest Hupmobile in town. That's them. The original Bunny and Clyde. And they've got trouble, see? 'Cause there's a shotgun-totin' sheriff in that stagecoach. And if he doesn't nail them, the Mad Bomber in the biplane will. Unless Crazy Horse and the Seven Nations get there first.

It's a razzamatazz old world on our label. Happily though, things are much quieter inside the bottle. There you'll find Alberta's original Pils - brewed the slow, natural way for honest flavour's sake. No one can steal that.

The Edmonton Better Business Bureau has received a number of enquiries from farmers and small business owners in rural areas of Alberta who have been approached by representatives of a firm which calls itself "Business Locators".

For a fee, payable in advance, these "locators" offer to find a

buyer for the property. It is important, however, to realize that they are not real estate brokers and cannot guarantee a sale. All they can do is advertise the property through various news media. Whether or not this way of selling property is likely to bring results must be evaluated by each individual concerned, says the manager of the Edmonton Better Business Bureau, Bruce Brown.

BURTONSVILLE NEWS

The hunting season has closed with some hunters fortunate and others disappointed. The animals either disappeared from this area or eluded the hunters, as there doesn't seem to be many around.

Bill Homme of Red Deer started on a hunting trip and was in an accident near Rocky Mountain House. He is now wearing a cast on his right arm and hand, because of a badly crushed hand.

Bufford Walker is now working at Luscar and was lucky enough to get a young moose.

Clinton Walker of Edmonton has been in the neighborhood visiting his brother and sister.

This nice weather has helped some of the folks from the city to get out and enjoy fresh country air while others here have had an opportunity to get away to do a bit of shopping.

Mr. and Mrs. Axel Homme celebrated their wedding anniversary on Sunday.

The snow has settled in the fields and farmers are taking advantage of the fine weather and hauling feed bales and clearing their fields.

Tomahawk F.W.U.A. Holds Christmas Party

MARIE ZUTZ
Club Reporter

The Tomahawk F.W.U.A. held its Christmas meeting at the home of Eunice Pryor on December 4th. There were 19 members and 12 guests present. Roll call was a gift to be sent to the "Retarded Children's Home in Red Deer. As no one will be able to at-

tend the F.W.U.A. convention it was decided that we help finance a delegate from South End. A letter previously read had asked us to do so.

Cook books were presented to Donna and Glenda Pryor for their help in serving with the catering we did this past season.

The birthday raffle was successful as there were three birth-

days.

The buying committee was delegated to buy a Christmas gift for each of the three local people who are in homes or institutions.

Upon the closing of the meeting the program committee took over and all were asked to write their "Most Embarrassing Moment". These were then shuffled about and re-read. They were very amusing.

Christmas carols were sung accompanied by Margaret Reich on the guitar and we sincerely thank her for this. As a special treat Hilda Zander and Margaret

and Lydia Reich sang two German Christmas carols.

The homemade gifts were exchanged and these were greatly enjoyed.

A beautiful buffet supper with many Christmas goodies ended the evening. Special thanks were extended to Eunice Pryor and her co-hostess Lydia Reich for their hard work in preparing the delicious meal.

January meeting will be held at the home of Jane Zander.

Warmest holiday greetings are extended to the Tomahawk and district readers.

Beef Club Meets At Moon Lake

The first meeting of the Moon Lake Beef Club was held on December 2nd at 8:00 p.m. The roll call was "The Weight Of My Calf On Weigh-in Day."

It was decided that our club get in and compete in the public speaking this year. A debate is planned for the next meeting.

A Christmas party is also planned on the 19th of December. Lunch was served by Mrs. Cherrington and Mrs. Tufty.

Have you ever considered...

...what it takes to sell insurance or real estate?

In an effective measure to safeguard your interests, all companies and any person you deal with directly in the insurance or real estate business in this province must be licensed under statutes administered by the Insurance and Real Estate Branch of the Alberta Provincial Secretary's Department. All new applications and annual renewals of licenses are handled and controlled through the office of the Superintendent of Insurance and Real Estate. Examinations for men and women wanting to enter these fields are held on a scheduled weekly basis. An average of one out of seven applicants fails to pass or write his test. In addition to licensing of agents, salesmen and adjusters, a major program of surveillance of insurance company financial operations is maintained and staff inspectors investigate reported incidents of business practice. Information dealing with insurance or real estate is available through this Branch.

...carp can cause a lot of harm?

To control the spread of undesirable fish that could crowd our trout into extinction and ruin the pleasure of sport fishing in this province, Fish and Wildlife Officers employed by the Fish and Wildlife Division of the Alberta Department of Lands and Forests keep a watchful lookout for careless fishermen who might use live bait. Carp are the main concern, along with other species that multiply rapidly including perch, minnows and suckers. In an active program to maintain our fish population department biologists conduct continuing research programs and restocking projects, planting millions of trout in provincial waters each year. Fingerlings and yearlings up to

...how control cuts costs of school books?

With the flexibility of curriculum the standardized pricing of school books throughout this province by the School Book Branch of the Alberta Department of Education results in direct benefits, particularly to large families. All text books used in Alberta Schools are distributed to independent dealers, teachers and school boards by this Branch which publishes an annual price list. School boards may sell the books to students at cost,

they may rent texts or make them available free of charge. A discount of 40 per cent off list price is allowed where books are provided free or are rented to students under rental plan regulations. About \$4 million worth of texts are distributed annually.

...who checks 25,000 miles of pipelines?

Provincial regulations applying to over 25,000 miles of operating pipelines now on-stream from oil and gas wells and fields to market are administered by the Superintendent and staff of eight inspectors of the Pipe Line Division, Alberta Department of Mines and Minerals. All speci-

cations are checked prior to construction. The finished line must pass a test under considerably greater pressure than under which it will be allowed to operate, prior to an operating licence being granted by the Pipe Line Inspectors. A continuous program of inspections is conducted on operating lines to insure maintenance of safety factors.

...the shape of car safety stickers?

There are four basic shapes of symbols of safety, proof that the cars and trucks which carry them have successfully passed the requirements of the vehicle testing centres operated by authority of the Safety Division of the Motor Vehicle Branch, Alberta Department of Highways and Transport. Square, triangular, round and oval stickers are used, each for a six-month interval and after full rotation vary in four of the six prime areas of inspection established throughout the province. There is a fee of \$2.00 for each initial inspection and \$1.00 for each re-inspection. Extension plans call for this Safety Division service to be broadened by establishing a substantial number of permanent and mobile testing units in the near future. Information regarding this province-wide program can be obtained by contacting your local inspection centre or the Branch offices in Edmonton.

eight inches long are used and typical planting operations involve children's and beaver ponds, lakes, reservoirs and locations where spawning does not take place. All licenses and permits issued for fishing, hunting and trapping are controlled by this Division.

...how you can get in on the act?

You can take part in any number of active programs directed by the Drama Division of the Cultural Development Branch of the Alberta Department of the Provincial Secretary. All are designed to stimulate activity and get people actively involved in the contemporary theatre work of this province. There's more to the making of a play than just acting, as thousands of enthusiastic students and adults find out by participating in the workshops, schools, festivals and playwriting competitions held by the Division throughout the year. Working directly with community theatre groups and schools, the Division's broad scope of service includes assistance in speech, movement, directing, stagecraft and design, musical theatre, make-up and creative drama. Two major annual events drawing internationally famous names to Alberta as teachers are the annual Provincial one-act High School festival and a 4-week residential Summer Drama School. Catalogues of a complete resource and script library and various guideline booklets, are available on request through the Division.

TOMAHAWK NEWS

Mrs. Ann Martin, from Waterloo, Ontario, is staying here in Tomhawk for a few weeks. She came out to take care of her mother, Mrs. August Steinke, while her father is in the Royal Alex undergoing surgery.

Get well wishes are extended to the following good people of Tomhawk who are in hospitals in Edmonton. Mr. Gaston Jouan in the Colonel Mewburn Hospital, Mrs. Siebls in the Royal Alex, and Mr. Gene Shaw and Mrs. Dave Brown are both in the Glenrose. Mrs. Dave Brown had the misfortune while in the hospital with a stroke, of falling and breaking her hip. We were certainly sorry to hear of this and hope everything will work out for her in the future.

On December 16th, the fall recreation classes will be putting on a demonstration and display of the work they have accomplished since they started. The program for the evening will be as follows: Keep Fit Class, instructress, Mrs. Evelyn Lukaniuk will be doing exercises; the Basic Sewing, conducted by Mrs. Gloria Jouan and Mrs. Lukaniuk will be putting on a fashion show; Miss Terry Pezzot will be displaying Arts and Crafts while Mrs. Pryor and Mrs. Marian Jouan will show Christmas decorations. Mrs. Marian Medd will be displaying Leather Crafts, Ceramics and Home Accessories. Everyone is welcome to attend and lunch will be served. This will be held at the Tomhawk School at 7:30 p.m. I am sure everyone who attends will find this extremely interesting. So please keep the date in mind.

Mrs. Evelyn Lukaniuk submitted the picture below that she

took the morning after Halloween. She thought it might be interesting to readers to see the amount of work undertaken by pranksters with two rolls of toilet tissue.

Anyone who is interested in joining up in February for a continuation of these classes put on by the Recreation Committee please get in touch with Mrs. Carol Namchuk, secretary of the Tomhawk Community and District Club. Phone 339-2191.

The marriage of Miss Myrna Wickware, daughter of Mr. and Mrs. William Wickware of Tomhawk, to Mr. Neil Darling took place on Saturday, November 29th at the United Church in Entwistle. After a family reception at the bride's home, the happy couple left for Edmonton where they are now residing.

ROCKY RAPIDS

Sympathy of the district is extended to Mr. and Mrs. L. Swap and family and Mr. and Mrs. Henry Romanchuk and family on the passing of Eunice and Dylis' mother, Mrs. A. Starling.

Congratulations to Mr. and Mrs. Dennis O'Neill, nee Darlene Townsend, whose marriage took place Saturday, December 6th.

The children within the Rocky Rapids Community League will hold their Christmas party at the hall on Sunday, December 14th at 6:30 p.m.

Congratulations to Mr. and Mrs. Louth who celebrated their 80th birthdays last week at a surprise party in the Scout Hall on December 6th.

THANK YOU

We wish at this time to extend our sincere thanks to all our friends and customers who made our stay in Drayton Valley a very pleasant and memorable experience while associated with J & A Trucking.

Shower Fetes Bride-Elect

A lovely bridal shower was held in the Magnolia Hall during the afternoon of November 30th in honor of Judy Carol Reich, daughter of Mr. and Mrs. A. Reich of Magnolia. Approximately 35 friends and relatives gathered from Edmonton, Tomhawk, Entwistle and Magnolia to wish Judy the very best. The gathering was entertained by the local ladies who enacted two skits.

Judy and her two attendants, Linda Reich, her sister and Gail Lukaniuk, her cousin, sat at the head table under a huge bell fashioned of pink and white streamers and white bells of various sizes. Judy's sisters, Sharon and Debbie passed the gifts to Judy to be opened and Colleen Campbell passed the opened gifts to the guest's tables. After the gifts were all opened and admired by everyone, Judy very graciously thanked everyone for the gifts and extended a special thank you to the ladies for putting on the shower for her.

A delicious lunch was enjoyed by all present after which Judy cut the bride's cake and all shared it. The bride's cake, which was made and decorated by Mrs. Betty McDougall was in pink and white, topped with a bride doll in full white gown.

Head table guests included the bride-elect, her two sisters, Sharon Onyschuk and Linda, her cousin Gail Lukaniuk, her mother Mary Reich, the groom's mother Mrs. McKone, her grandmother Mrs. Lookyonewk, and two of her aunts, Zena Anderson and Evelyn Lukaniuk.

Drayton Valley Branch will be hosting the District No. 2 Men's Curling Playoffs Saturday evening, January 30th, and Sunday, January 31st, 1970. Watch The Western Review, for notification of Drayton Valley Branch Men's and Mixed Curling Playoffs.

A New Years Frolic will be held December 31st. Tickets are restricted and are now available from Legion members.

Turkey Cards Raise Funds for Christmas Hampers

Drayton Valley Rotary Club turkey cards are now available in several town and district locations. The cards are an annual venture by the club to raise funds that go toward the purchase of hampers for needy families in the area.

The cards have hidden numbers, 1¢ to \$1.00, and the player pays the amount shown. When the card is sold the winning number is revealed and the turkey awarded.

A club committee, chaired by Ron McCamey, is now preparing for the distribution of hampers.

THE TOWN OF DRAYTON VALLEY

Garbage Collection Bylaw No. 208

The Town of Drayton Valley Garbage Collection Bylaw #208 governs the methods of preparation, collection and disposal of refuse and waste in the Town. It is some time since these provisions have been published and so, for the information of those residents who have forgotten or who have recently become members of our community, the following are the sections most applicable to good garbage collection and disposal.

Receptacles -- Each householder is required to provide a sufficient number of water tight receptacles - not to exceed a capacity of more than 75 pounds in weight of garbage - to hold at least one week's accumulation of garbage. Each circular receptacle shall be no greater than 18 inches in diameter and an overall height not exceeding 28 inches. For ease of emptying it should be tapered from the top to the bottom to ensure that the garbage will not bind or stick in it. Lids shall be provided for each receptacle to insure that contents may not be molested by animals. The receptacles shall be placed and kept at the rear of the premises or as near to the lane as practicable so that the collector shall have unobstructed and convenient access thereto. No receptacle shall be placed in such a manner as to impede free passage of traffic in the lane. No person shall use a gas-line barrel or other than approved receptacles for waste.

Preparation for Collection -- Clippings from shrubs and trees shall be compacted and securely tied in bundles not exceeding 4 feet in length before being put out for collection. Garbage shall be thoroughly drained before being deposited in receptacles. Rags and cast off garments may be tied in bundles and placed ready for removal along side receptacles. Waste papers and inoffensive household refuse may be tied in bundles and placed for removal along side the garbage receptacles.

Incinerators -- Combustible refuse may be burned in an incinerator of a pattern approved by the Fire Chief and the Health Officer. The ashes from an incinerator shall be transferred to an approved receptacle for removal. No person shall burn any animal matter or matter liable to cause offensive odors or pollution of the atmosphere except as authorized by the Health Officer. Burning of any refuse, waste or garbage is not permitted anywhere in the Town on Mondays. This insures one day in the week when washings may be hung out without possible contamination by smoke and other derivatives of fires.

The cooperation of each and every resident is earnestly solicited. If we all do our part in the preparation and disposal of the garbage and waste, the time and effort required at each residence by the garbage collectors is kept to a minimum. This not only means mutually satisfied residents and collectors but also more efficient collection which can only mean more effective collection for less cost. In addition it will make a cleaner, healthier and tidier town.

Because it is our community and because we do want a beautiful town, let us all do our utmost to make garbage collection and disposal really work.

MAGIC GIFT WRAPPING IDEAS- Gift wrapping is really very simple. Take a bit of imagination. Some care in selecting paper and accessories, a few minutes away from the hustle and bustle and you are set. For the children, try:

Gluing lollipops, candy cane and shiny stars on plain wrapping paper.

Spell out their names with colorful gift tapes.
Make a sleigh or wagon out of a box.

Colored paper, felt, glue, bit of cotton batting can be used to make a Santa Claus, soldier, reindeer or any other personality.

Is your gift wrapping problem frankly feminine? Make it special this year for daughter, sister or mother.

Traditional bows come into their own with ladies. Use single bows, double bows, fancy bows or plain ones.

Sprigs of holly or pine snuggles under the bow are a nice change.

Plain paper accented with a rope of beads and gift wrap tape provide a present within a present.

The biggest worry with gift wrapping is men.

Make a checkboard top with different colored paper.

Use striped paper to make a shirt. The shirt can be outlined in straight lines with tape and buttons glued on.

Wind scotch tape around a ruler so that the sticky side is out. Place the ruler on a wrapped box, press the spiral down securely. Remove the ruler. Now add a second spiral. Sprinkle with epsom salts.

Wire silver bells on silver paper.

Glue large gold sequins or dots cut from gold or silver foil onto red wrapping paper.

Use odds and ends of wool for bows and tying gifts.

Colored cut-out doilies can be placed over plain colored paper for an interesting effect.

Used milk cartons can be used. Add odds and ends of jewellery plus colorful paper for bodies and faces to make elf-like gifts.

Attach new pennies to gift wrap and tape in the shape of a tree.

Cut up old Christmas cards and put these pictures on some gifts.

Tire Information Available

Motorists using studded snow tires should drive with confidence, not over confidence, warns the Alberta Safety Council.

The Council says the studs definitely improve traction, especially on glare ice. The improvement in steering and braking is greatest when the tires are mounted on all four wheels rather than on just the back two. The Council advises against studded tires on front wheels only.

It also stresses that a driver who has studded snow tires on his car should always watch out for a car behind him which may not have them. The driver of a car which has not got studded tires will not be able to stop in as short a distance as the driver who has them.

Motorists with studded tires are also advised not to spin their wheels on ice. If the studs should hit a solid object under the ice, the studs could be torn out of the tire.

This and other valuable information on studded snow tires is contained in a pamphlet entitled "Drive With Confidence", now available from car dealers and the Alberta Safety Council. Prepared by the Rubber Association

of Canada and the Canada Safety Council, it contains the first definite information on studded snow tires to be published in this country.

Plan Change to Metric System

The Drayton Valley Municipal Hospital will switch to the metric system, rather than the British system of weights and measures, early in January 1970.

The following information has been prepared to acquaint residents with the advantages of the metric system.

The basic unit of the Metric System of Weights and Measures, the metre, was devised in France in 1791.

Before the end of the 19th century the Metric System had become standard with 40 nations and had attained world-wide use in science. Presently, more than 70 countries which contain 90% of the world population are employing this system.

Canadian high school and university students are now taught both the British and Metric Systems. All preclinical training of medical students is conducted entirely in the Metric System. Yet there are still thousands of Canadians who know practically nothing about the Metric System and who are not aware of its advantages.

THE WESTERN REVIEW

The Metric System has the great virtue of being consistent in all countries that use it, not so with the British System; liquid measure in the U.S. is different from ours, there are various miles of different lengths.

Another advantage of the Metric System is that much smaller units can be measured, thus permitting greater accuracy.

Canada's coinage is based on the decimal principal. Britain has converted her currency.

A large number of hospitals throughout Canada have converted to the Metric System.

Austrian Stollen

Stollen Adds Touch of Old Europe to Christmas

Stollen is the traditional bread served in Germany on Christmas Eve. Families gather to eat the Christstollen at about 5 in the afternoon on the day before Christmas. Then they attend church, return home to open their gifts, and have a late supper. Stollen is kept in the house during the entire holiday season to serve guests. It's the German equivalent of our Christmas cake.

With its candied fruit, almonds and raisins, Stollen is a pleasant item on anyone's Christmas season menu. It is ready in an instant for serving to unexpected guests and is unusual enough to bring admiring comments from those to whom it is offered.

The following recipe makes three Stollens:
 3/4 cup milk
 1/2 cup sugar
 1 3/4 teaspoons salt
 2/3 cup Blue Bonnet margarine
 1 cup lukewarm water
 1 teaspoon sugar
 2 pkgs. Fleischmann's Rapidmix or Fast Rising Active Dry Yeast
 5 1/2 - 6 cups unsifted all-purpose flour
 3 eggs, beaten (at room temp.)
 3/4 c. chopped, blanched almonds
 3/4 c. mixed candied fruit
 1/3 c. golden seedless raisins
 Icing sugar frosting.

Scald 3/4 cup milk in a saucepan. Stir in 1/2 cup sugar, salt and margarine. Cool to lukewarm.

Meantime, measure into a bowl 1 cup lukewarm water. Stir in 1 teaspoon sugar and contents of 2 packages (2 tablespoons) Fleischmann's Active Dry Yeast. Let stand 10 minutes, then stir again.

Stir in lukewarm milk mixture and 2 cups flour; beat until smooth. Stir in beaten eggs and

an additional 4 cups (about) flour to make a soft dough.

Turn out onto lightly floured board; knead until smooth and elastic, about 8 to 10 minutes. Knead in blanched almonds, candied fruits and raisins. Place in greased bowl, turning to grease top. Cover; let rise in warm place, free from draft, until doubled in bulk, about 1 1/2 hours.

Punch dough down; turn out onto lightly floured board. Divide dough into 3 equal pieces. Roll each piece of dough into a 12 x 7 inch oval. Fold in half lengthwise. Place on greased baking sheets. Cover; let rise in warm place, free from draft, until doubled in bulk, about 45 minutes.

Bake in moderate oven (350 degrees) about 20-25 minutes, or until done. Remove from baking sheets and cool on wire racks. If desired, frost with icing sugar frosting while warm and decorate with blanched almonds and candied cherries.

Named to Prov. Board

At the recent annual convention of the Oil Wives Club at Red Deer, Kay Meraw was voted as Membership and Eligibility Chairman on the Association of Oil Wives Board.

Kay is a charter member of the club and has served on our Drayton Valley executive as President, Historian and 1st Vice President. She is a very enthusiastic member and says she enjoys the club very much. Congratulations Kay.

Cattle Commission to Start Collecting January 2nd

The Commission was established by Alberta Regulation 170/69. The office is located at 108A - 8th Avenue S.W., Calgary 2, Alberta. The telephone number is 263-7364.

The Commission has been set up to improve and increase the economic well-being of the cattle industry. It will be financed by a non-refundable levy of 10¢, to be deducted from the sale proceeds of each head of cattle marketed in the Province of Alberta. It is planned to commence making this deduction on January 2nd, 1970.

Licensed livestock dealers are required to register with the Commission and will be required to deduct and collect the levy. Livestock dealers will receive a 5% rebate of fees remitted to compensate for the extra work and expense they will incur.

The administration and disposition of funds resulting from

the deduction has been entrusted to the five members of the Alberta Cattle Commission, namely - Mr. Frank Gattey, Chairman; Mr. Ian MacDonald, Vice-Chairman; Mr. Bill Boake, Mr. Terry Bocock and Mr. Harry Gordon. The members of the Commission intend to use these revenues where they yield the very best return. It is intended to do this by supporting and coordinating the efforts of existing organizations.

A prime function of the Commission will be to support the Canadian Cattleman's Association and to undertake Alberta's financial responsibilities in such an organization. Further to this, suggestions and proposals as to worthwhile projects for the Commission to initiate or support will be welcomed. You are requested to voice your opinions.

A full time Secretary-Manager has been employed and cattle-men are invited to communicate with him. It is hoped that the Commission will act as a catalyst within the cattle industry, providing coordination and so increasing the cooperation which already exists among all segments.

Seniors Win Against Warburg

In a senior mens basketball contest played last week in the FMHS gymnasium, the Drayton Valley five turned back the Warburg club 96-91. The game was a see-saw affair which was undecided down to the final few minutes when the Drayton club hit well from the outside to put the game away.

Leading the Drayton club was Jim Cathrea with 39 individual points and Paul Bradley with 22 points. Also hitting well in the middle was Charlie Swap with 16 points. For Warburg Peter Rolfe hit for 39 points working well on the inside. Mike McNamara added another 28 points on a strong performance.

A week earlier in another mens contest the Warburg club turned back the Breton team 57-49.

The next senior mens game will see Warburg in Leduc and they will be adding three Drayton players to their squad for that exhibition contest.

If any men in the Drayton Valley area would like to play on the Drayton club phone 542-4298.

Senior Citizen's Annual Supper This Sunday

The ladies of the O.O.R.P. at their last regular meeting made final plans for the annual Senior Citizens Supper to be held this year on Sunday, December 14th at 5:00 p.m.

Although they have made every effort to contact everyone 65 years of age and over, it is possible some may have been missed. If you know of anyone in this age group who has not received an invitation, please call Mrs. McMorris at 542-3327 immediately.

ALDER FLATS NEWS

Bingo ham and turkey winners on Friday evening, December 5th were Ricky Bohling of Buck Lake, Dwight Kellgren, Dick Beale, Mrs. Betty Turner, Doug Hare, Karen Schaurite, Dwayne Tugwell, Donnie Hayduk, Mrs. Helen Haggart and Yvonne Shenks of Buck Lake won the blackout ham and turkey bingo game.

The Guide tea held in the Legion Hall Saturday, December 6th was well attended. The sale table had many Christmas items the Guides had made doing an excellent job on them. The ticket winner of the raffle item was little Amie Maclean.

The J. L. Seelys attended the wedding of Elsie's sister Helen Engblom at Mayerthorpe on the 29th of November.

The Hayduks have a new station wagon and the Shanks have a new car.

Miss Theresa Farrell of Australia arrived last month and is a guest at the home of her brother and sister-in-law, Vin and Elizabeth Farrell.

Miss Marion Pearson of Edmonton was a weekend guest at her brother's home the Howard Pearsons.

Carl Durant of Berrymoor was home for the weekend.

Lawrence and Marion Hoffman with their two small children escaped with minor cuts and bruises early Tuesday morning when their truck, loaded with lumber, blew a front tire and rolled in the ditch 7 miles west of Wetaskiwin. Marion required several stitches to the head and had to stay in Camrose until the weekend for check-ups.

The first hockey game of the season for the Alder Flats Seniors was played at Rocky Mountain House on Thursday, December 4th against Rocky 1, ending in a 4-all tie. The goals were scored by Donnie Maciborsky who scored two goals and Darrel Patten and Gerry Johnson with 1

each. The Rocky League started December 1st and games will be played until February 5th with the play offs to commence soon after. Teams participating in the league are, Rocky 1 and Rocky 2, Leslieville, Stauffer, Big Horn, and Alder Flats. Alder Flats schedule for the first draw is: Wednesday, December 10th against Stauffer, Monday, December 15th against Leslieville, Tuesday December 23rd, Big Horn and Sunday, January 4th they play Rocky 1.

The Alder Flats Seniors played Winfield on Sunday winning the game by a score of 6-3. Goals were made by Donnie Maciborsky with 3, and Shelby Laczo, Gerry Johnson and Dale Sergeant with 1 each.

Mrs. Sara Dunn visited Dorothy and the Drumbeller badlands, not as had been reported in last week's paper.

The Sunday School Concert is Sunday, December 21st at 12:30 p.m. at the Covenant Church.

Everyone is welcome and we know the children will be pleased and proud to have their parents attend with them. Coffee will be served following the program to the adults, with treats for the children.

Home for the weekend from the city were Donnie Maciborsky, James Chapchuk, Byron Larson and Diane and Alex.

Mrs. Jean Sargeant and Tammy and Dallas are home again after their stay at Lacombe.

Oil Wives Hold Christmas Meeting

A lovely turkey dinner was served at the Christmas meeting of the Drayton Valley Oil Wives held in the Cardium Room on December 8th. There were 80 members and 22 guests present.

The business meeting was chaired by our President Betty McGee. It was reported that anyone wanting to join Oil Wives could obtain an application form from Carol Lane and all new prospective members will be reviewed as to their eligibility. Mickey Jacobson thanked all the ladies that helped with the Merchants Association Christmas show for the children.

A large box of chocolates was raffled and won by one of our guests, Wendy Hartley.

An excellent program of entertainment followed. First, duets by Bruce and Melvin Moltzan and then Bruce sang "Santa Claus

is coming to Town" solo. They were accompanied by Anna Raven.

Next a pantomime of chipmunks by Jean Graham and Eileen Hendry. Then a skit representing a "Coffee Klatch" of 'blue' housewives was presented by Lil Ross, Eunice Lyle, Jeanette Miner and Dorothy Woods. They were joined by the rest of the Drayton Singers, Betty McGee, Louise Martin, Carol Lane, Nancy Jacobs, Gail McEachern, Pat Jenkins and Barb MacLean. They were accompanied by Mrs. Raven. The group sang a medley of Christmas tunes and several solos and duets were enjoyed by all. It is amazing to realize the local talent we have in this town.

Santa paid a visit and gifts were exchanged. Coffee and cakes were served.

Date Changed for Trophy Measurement

The Pembina Oilfield Fish and Game execution wishes to announce a change in date of the trophy antler measurement previously set for December 18th.

As the open season in Zone One does not end until December 21st it was felt necessary to extend the date. The new date will be announced later.

UNUSUAL CHRISTMAS

To say that some new toys are unusual is to be entirely too non-committal. The fact is that some toys offered for sale are positively dangerous to children and some of them are fire causers.

A word of warning at this time is needed concerning animated and mechanical toys. If they contain electrical components, these should be CSA approved. Last year a mechanical toy involving electrical energy became overheated in a department store starting a fire that caused \$11,000 damage to the contents and \$4,200 damage to the building. Faulty Christmas lights caused three fires in homes.

This year a new device termed as a "smoking pet" has appeared on the market. Playing with this toy involves the use of matches or lighters and it takes little imagination to realize the dangers involved. Certainly the sale of such toys should be discouraged and the dangers exposed. We have also noticed that some toys require plugging into normal electrical outlets. If these toys continue to be connected and forgotten, they could eventually become overheated.

The majority of toys are ingenious and fun producing but there is no substitute for common sense in the selection of toys and proper care and supervision of children who use the toys.

The Datsun 1600 Pickup has 43% more power than the largest selling imported truck in North America

There's an imported truck that outsells all other imported trucks put together: Datsun 1300. Which may give you an idea of Datsun's quality. But now there's another truck that may outsell even that: Datsun 1600. It's everything the 1300 is, only more so. You get a 1600 cc engine that puts out 96 hp. and squeezes 30-35 miles to the gallon. You get an instant-acting heater/defroster with 3-speed blower, quad headlights, 2-speed wipers

and 4-speed all-synchro gearbox.

What you get from the Datsun 1600 pickup is heat, light and energy. If you liked the 1300, you can still buy one, and save about \$140. But if you want to pick up a little more power, pick up a Datsun 1600. Will the 1600 pickup take the title of best-selling imported truck away from the 1300?

We hope so, but we don't care.

So long as the title stays in the family.

YOUR VOICE IS YOU

A large percentage of Alberta's 4-H club members are participating in public speaking at the club level. What is the purpose of this particular 4-H activity?

Our main purpose is NOT to create golden voiced orators; however, this often happens when club members actively join in public speaking activities.

Many people never achieve their full potential in life because they lack confidence in themselves. We have found that people gain new self-confidence when they make use of opportunities to speak before a group. One of the aims of the 4-H program certainly must be to provide as many of these opportunities for public speaking as possible.

Confidence-building exercises such as group singing, animated nursery rhymes, role and play acting and impromptus are easy to use and provide convenient recreational breaks.

The main purpose of public speaking in 4-H is to give all club members the opportunity to develop the confidence to do the things they have the ability to do

Pollution Control in Agriculture

How does the Alberta Department of Agriculture view its role and responsibility for pollution control and safeguarding farm products?

According to Dr. A.A. Lupton, agricultural geographer with the provincial Program Development Division, the Department's pollution control and abatement programs fall, for the most part, into two broad areas: applied research, including monitoring,

and education. The education programs are designed to inform the public of the importance of using agricultural chemicals as recommended and to point out the hazards that can occur when these recommendations are not followed.

Regular participation by the Veterinary Services, Plant Industry and Animal Industry Divisions in joint experimental and monitoring programs is an example of the way the Department is tackling the pollution problem. These programs are designed to examine the effects of industrial and urban effluents on the quality of agricultural produce, says Dr. Lupton. Milk is very carefully scrutinized for every type of contamination. In fact, samples have been examined for radioactive contamination both during and after the nuclear testing programs, carried out by the major world powers.

The Water Resources Division, says Dr. Lupton, monitors surface and ground water for traces of DDT and other pesticides in the irrigated areas of Alberta. In addition, personnel from this Division sit on many regional boards, which have been established under the jurisdiction of the Alberta Department of Health to study water pollution in major rivers serving urban communities.

Soil quality has not been neglected either. According to Dr. Lupton, the chairman of the Soils Branch of the Plant Industry Division has undertaken an analysis of changes in soil chemistry which may be linked to the lo-

cation of soils downwind from sulphur plants. The results of this continuing investigation will add to the growing body of knowledge concerning soil pollution. This data will eventually be compared with similar information arising from studies of the change in soil structure associated with the use of sewage effluent for irrigation.

The Department of Agriculture also conducts an educational campaign as part of its broad program in preventing the deterioration of environmental quality. This educational aspect of the work employs all the communication media. For example, the chairman of the Pest Control Branch regularly distributes factual pest control information through the Department's news channels.

Perhaps the course of studies for operators of pesticide applicators is one of the most significant parts of education in pollution control. It has been established in conjunction with the Alberta vocational colleges. Under this scheme, students who successfully complete the course can then apply for a pesticide applicator's license, issued by the Alberta Department of Agriculture under the terms of the Agricultural Chemicals Act.

The foregoing activities are co-ordinated by the Food Residue Committee through a central file maintained by the director of the Veterinary Services Division. Dr. Lupton explains that all the programs are designed to fit together and to provide the province with a comprehensive package of pollution control and abatement services. However, the Alberta Department of Agriculture is fully aware that pollution control programs are seldom complete, and is, therefore, continually re-examining existing services to determine whether they are still adequate and whether they need periodic modification.

GUIDE NEWS

CLAURIE ALBERT
Reporter

On Saturday, December 6th, the Drayton Valley Pack No. 1 Guides along with Mrs. Peggy Tyler as their leader, were hosted by the Ramona Guides, to a hay ride over the country roads of the Ramona district. Mr. Kelly conducted the tour with his tractor and rack.

The weather was not too cold but with the heavy fog in the air this seemed to make it much colder, however, by hiding in amongst the bales of straw many girls kept warm.

Upon our return to the hall, a very delicious and hot lunch awaited our pack. This was prepared by Ramona mothers.

I would like to express sincerest thanks to Ramona pack for asking us and Mr. Kelly for driving the tractor and the mothers who prepared the lunch. A good time was had by all.

Share Your Blessings

Christmas can be a joyous time of year.

It can cause happy wonder to shine in the eyes of a little boy or girl. It can bring great joy into a child's life. It can awaken faith.

But unfortunately for some children, Christmas this year may be a disappointment. It may be looking in store windows at toys their parents can't afford to buy -- or suffering for lack of adequate clothing -- or simply experiencing a feeling of utter loneliness.

This need not be; for the Salvation Army, on your behalf reaches out to such children and makes possible for them the thrill of opening gifts, the treat of enjoying a special holiday dinner, the warm feeling of wearing new clothes.

Yes, the Salvation Army knows many, many troubled people, both young and old. It tries to make Christmas happy and meaningful by providing friendship and material assistance for the less fortunate in communities - all across Canada - fathers who will spend this Christmas behind prison bars - for mothers whose children lie ill and cold in a substandard dwelling - for painridden hospitalized veterans - for many needy youngsters who know little of comfort and joy.

The Salvation Army has been spreading joy and happiness at Christmas time -- and throughout the year -- for more than a century, and it plans to keep on doing it.

Share YOUR blessings this Christmas.
